I know this family. Kundaqunirachar.
was my old ranshik master. On account
of his death and that of his son-in-law
within a week of each other from plague,
the family is stranded in destitution.
With out help from some quarter, they have
only to resort to begging to maintain themselves.
They consist of the widow of Kundaqunirachar -
about 35 years old, a widowed daughter
and about 13 or 14, 'a boy aged about 9
and a young girl aged about 4 or 5.
